Enterprise software done right.

Open source

Behind the technology is a community of 100k+ developers collaborating worldwide. We're united by the spirit of open source, and a common vision: «to transform companies, empower employees».

This offer is based on the Odoo Enterprise edition, that adds extra features to Odoo Community.

No vendor lock-in

No proprietary data format, just PostgreSQL: you own your data. No software lock-in: you get the source code, GitHub access, and the flexibility to host on our infrastructure, or on premise.

No corporate bullsh*t

«With most systems, you get 70% of what you hoped. With Odoo, you get more than what you expected. You, guys, will transform the market.» - Anonymous competitor

Fair pricing

No usage-based pricing, no feature upselling, no long term contracts, no hosting limits, no surprises... just a single price per user - all inclusive.
